Veterans' Day

This month's character trait is responsibility. Students will be recognized by their classroom teacher for their responsible behaviors. Students and their classes will also be celebrated by other staff in our building for great behavior in other areas of the school like PE, Music, Library, Cove (intervention) and the cafeteria. Students who receive these awards will be given special brag tags to collect on a lanyard. We celebrate the students and their classes every Friday during lunch. Here are some examples of the brag tags we have. And a picture from our first Friday handing them out.

All School Vision & Health Screenings

The Oregon Lions Sight & Hearing Foundation will be here Thursday, November 2nd to do vision screenings for all students K-5. If you are interested in volunteering for this event, please contact the grade school office at 503.864.2217.

We Need Your Help

If your student's after school plans are different one day, please send a note! Without a note, the teacher will send the child home the normal way.

For your reference, if you drive through to pick up your child, your child will be waiting in the car rider area. If your child walks out the front doors to meet you on the sidewalk, they will be excused as a walker. Bus riders go straight to the buses. Please limit phone calls to emergency changes only.

Thank you for helping us make dismissal time as smooth as possible for everyone.
